PROFILE

Hello, I am De'Andre Randolph, a freshman at Morehouse College. My chosen field is Software Engineering, with the plan to integrate finance and business into my work.

EXPERIENCE

○ Team Member

Buffalo Wild Wings GO August 2023 to August 2025
Being my first job, Buffalo Wings Wings GO taught me how to move swiftly regardless of stress, deliver quality products, and bring life to any environment.

- Inventory indexing and reporting
- Handling heating technology and rulings.
- maintained a clean and healthy environment.

○ Information technology intern

Fulton County Schools June 2024 to August 2024
During this internship, I got to network and work with many people in my field. The interns were tasked with resetting and reimaging all the laptops to be prepped for school.

- Learned imaging and resetting processes for Laptops
- Improved my inventory indexing skills.
- Refreshed laptops upwards of 300 laptops per day.

○ Main Web Developer

May 2024 to Present
As the creator of my business, I am the main web developer as it expands. Being the main web developer, I have learned how to deliver quality websites quick and simply.

- Deliver websites to clients quickly
- Aid in social media presence (social medias and logos)
- Specializes in portfolios and resume websites
